

The Orthopedic Center

Back Questionnaire

This questionnaire has been designed to give your therapist information as to how your back pain has affected your ability to manage everyday life. Please answer every section and mark in each section only the ONE box that applies to you.

Section 1: Pain Intensity

- I can tolerate the pain I have without having to use pain medication.
- The pain is bad but I can manage without having to take medication.
- Pain medication provides me complete relief from pain.
- Pain medication provides me with moderate relief from pain.
- Pain medication provides me with little relief.
- Pain medication has no effect on my pain.

Section 2: Personal Care (Washing, Dressing, etc)

- I can take care of myself normally without causing increased pain.
- I can take care of myself normally, but it increases my pain.
- It is painful to take care of myself and I am slow and careful.
- I need some help, but manage most of my personal care.
- I need help every day in most aspects of self care.
- I do not get dressed; I wash with difficulty and stay in bed.

Section 3: Lifting

- I can lift heavy weights without increased pain.
- I can lift heavy weights, but it causes increased pain.
- Pain prevents me from lifting heavy weights off the floor, but I can manage if they are positioned, for example, on a table.
- Pain prevents me from lifting heavy weights off the floor.
- I can lift very light weights.
- I cannot lift or carry anything at all.

Section 4: Walking

- Pain does not prevent me from walking any distance.
- Pain prevents me from walking more than 1 mile.
- Pain prevents me from walking more than 1/2 mile.
- Pain prevents me from walking more than 1/4 mile.
- I can only walk with crutches or a cane.
- I am in bed most of the time and have to crawl to the toilet.

Section 5: Sitting

- I can sit in any chair as long as I like.
- I can only sit in my favorite chair as long as I like.
- Pain prevents me from sitting for more than 1 hour.
- Pain prevents me from sitting for more than 1/2 hour.
- Pain prevents me from sitting for more than 10 mins.
- Pain prevents me from sitting at all.
